

## CURRENCY CONVERTER

A screenshot of a web application window titled "CurrencyConverter". The page has a green border with a pattern of falling money. At the top, the title "CURRENCY CONVERTER" is displayed in a large, bold, italicized black font. Below the title, there are two dropdown menus: "Convert From...." and "Convert To....". Under the "Convert From...." menu is a light gray box labeled "AMOUNT". Below the "Convert To...." menu is an empty white box. At the bottom left is a blue button labeled "CONVERT", and at the bottom right is a red button labeled "RESET". Below the "CONVERT" button is a light gray box labeled "CONVERTED AMOUNT", and below the "RESET" button is an empty white box.

Figure 1: Currency Converter Home Screen – Ready for Conversion

A screenshot of the same web application window after a conversion. The "Convert From...." dropdown now shows "USD" and the "Convert To...." dropdown shows "INR". The "AMOUNT" box now contains the number "1030". The "CONVERTED AMOUNT" box now contains the number "86499.4". The "CONVERT" and "RESET" buttons remain in the same positions.
